New York, Nov. 6.—Melvin G. Palliser, chairman of the New York's tate executive committee of the People's party, tonight issued a statement in which he said:

"Mr. Watson will poll over 1,506,000 votes." The People's party is now thoroughly organized and is more national in character than the Republican party. It has aggressive, militant organizations in every state of the Union except Vermont. Rhode Island and Pennsylvania. In all except these states the ticket is on the official ballot. Mr. Watson advises us that the electoral vote of Georgia will be cast for him. A People's party congressman will in all probability be elected in Alabama.
